

# The Answer

Solange Legal

**Verse 1:** When confusion comes my way  
I will choose to say, "You are the answer"  
When I'm held down by my grief  
Searching for relief, you are the answer

**Chorus:** Oh God, you the path under my feet  
You tell me, "Come and walk with me"  
You are the answer I seek  
Oh God, you are the only one I need  
You tell me, "I will set you free"  
You are the answer I seek

**Verse 2:** When I don't know what to do  
I will look to you, you are the answer  
When I'm caught up in the fight  
You will set it right, you are the answer

**Bridge:** You are the way the truth and the life  
Calling out to me  
You are the one who is leading me home  
You're my victory **2x (chorus, then ending)**

**Ending:** Oh God, you the path under my feet  
Oh God, you tell me, "Come and walk with me"  
Oh God, you are the only one I need  
You tell me, "I will set you free"  
You are the answer I seek
